ABOUT ME

I'm a **dedicated** Web & App Development student with 1.5 years of hands-on experience in building clean, modern, and responsive websites. I have completed 1 year of web development training at **Aptech** and am currently continuing my learning in Web & App Development at **Saylani Mass IT Training (SMIT)**. I'm skilled in HTML, CSS, JavaScript, Bootstrap, **React**, PHP, and MySQL, with a strong interest in creating practical and user-friendly web applications. I have also achieved 5th position in **Techwiz 6.0**. My goal is to gain professional experience through internships and continue developing my skills. Beyond coding, I enjoy content creation and video editing, which brings a creative edge to my technical work.
